IN THIS ISSUE

- ❖ Gender and Assessment of Physics Students' Academic Performance in Senior Secondary School SSIII (SS3) Olamaboro Local Government Area of Kogi State, Nigeria- **Abuh, P. Y.**11-9
- ❖ Effects of Project-Based Learning Method on Students' Acquisition of Science Process -Skills in Awka Education Zone - **Okoye, M. N., & Osuafor, A. M.** 10-20
- ❖ Rethinking Post Covid-19 Education: A Migration to Ubiquitous Learning Environment – **Nannim, A. F., Ibezim, N. E., Mgboji, C., & Ukala, G.**21-31
- ❖ Understanding the Application of Principal Component Analysis (PCA) and Principal Factor Analysis (PFA) Methods for Construct Validation of Research Instruments – **Agah, J. J., Andor, S. E., & Asor, L. J.**32-42
- ❖ An Assessment of Undergraduate Students' Preference for Digital Learning Programmes During Covid-19 Pandemic Experience in Nigeria – **Lukmon, A. K., & Adedayo, T. G.**43-52
- ❖ Effect of Role Play Method on Secondary School Students' Achievement in Chemistry - **Okpala, U. V., & Okigbo, E. C.**53-60
- ❖ Teacher's Adherence to Test Construction Principles A Correlate of Students' Achievement and Interest in Chemistry – **Awele, L. R.**61-67
- ❖ Effects of two Modes of Lesson Study Techniques on Senior Secondary School Students' Achievement in Mathematics in Okigwe Education Zone Two - **Ogoke, C. J., & Okigbo, E. C.**68-78
- ❖ Challenges of Effective Implementation of Non-Pharmaceutical Measures in Mitigating Community Transmission of COVID-19 Pandemic and Solutions in Nigeria - **Okereke, E. I., Dim, N. K., & Nzewi, U. M.**79-91
- ❖ Relative Effectiveness of Analogy and Concept Maps Instructional Strategies on Secondary School Students' Academic Achievement in Chemistry - **Obi, O. K., & Okigbo, E. C.**92-100
- ❖ Effects of Teaching Methods on Optimization of Students' Achievement on Difficult Topics in Basic Science - **Onyeagba, M. C. N., Ojobo, U. A., & Eze, C. C.**101-106
- ❖ Effect of Different Rate of Oil Palm – Piggery Waste Compost Application on the Growth, Yield of Maize and Soil Nutrient Status - **Dania, S. O.; Yakub, M. I., & Enoila, R. I.**107-115
